Notice to Investigators

Announcing On-Line Estates of Deceased Persons Data Update Friday, April 1, 2022

The Unclaimed Property Division is pleased to announce an update for the Estates of Deceased Persons Data. This updated file will be available for download on Friday, April 1, 2022. The Estates of Deceased Persons File contains estates of deceased persons remitted to the State of California pursuant to Probate Code and Code of Civil Procedure section 1300 et seq. The Estates of Deceased Persons File displays these properties indexed by the following four categories: The State of California's Property ID Number, decedent's name, reported heir(s) and the property's available balance.

To access the file go to http://www.sco.ca.gov/upd_msg.html. Scroll down to the section of the page shown below.
